At the circus

Mike

I love magicians. I don't understand how they perform their tricks, where they keep the rabbits or the birds, but they are fantastic and I can see them only at the circus.

Maria

It's great fun to see the clowns. They stand on their heads, walk on their hands and wear such colourful clothes.

Chris

I want to see the trapeze artists. They are so brave. I think that lion tamers and tightrope walkers are really brave people.

Jane

I like the circus parade, the music and all the animals. They are so clever, so funny and so talented.

Your partner's brother has got a favourite toy, too. Find out about it. Ask five questions beginning with: what, where, when, how, why.

B: Your brother's favourite toy is a beyblade. He keeps it in his school-bag and he plays with it at school during the breaks. It spins and it is very good for fighting. He likes it very much because it makes him feel like a fighter.
